

Ângelo Mendonça

Mid-senior Android Developer

ABOUT ME

I wrote my first line of code in high school and since then, I can't stop wanting to learn more about Computer Science.

I studied Computer Engineering at ISCTE-IUL, where I have been in ISTA Top Talent and elected Secretary of the ISCTE ACM Student Chapter.

I also like to practice sports, walk and socialize with friends. I am also extremely motivated to constantly improve my skills and grow professionally.
